Staff Spotlight

Lisa Ludwig Marketing Coordinator

Please join us in welcoming Lisa Ludwig, River Bend's new Marketing Coordinator, who joined our team in June.

Lisa was first introduced to River Bend during a tour a few years back with her mother-in-law and quickly fell in love with the beautiful campus and friendliness.

Lisa is a Farley resident and graduate of Western Dubuque. She recently celebrated her 31st wedding anniversary with her husband, Jim. Together they have one daughter and two sons. When she's not at work, Lisa enjoys spending weekends on the river with family and friends, cheering on the Chicago Cubs, and spoiling her two rescue dogs, Jake and Roxy. She also discovered a hidden talent for axe throwing after hitting two bullseyes during a recent Mother's Day outing with her children!

Lisa says the warm welcome she's received from staff and residents has already made River Bend feel like family. We're excited to have Lisa on our team and look forward to all she will bring to River Bend. Be sure to stop in and introduce yourself to Lisa if you haven't already!

On June 18, 2026, we hosted a "Cheers to Dads" happy hour. It was a wonderful opportunity for our residents and their families to spend the afternoon celebrating together.

Resident Corner

Pat Rea was born and raised in Bernard, Iowa. He attended Sacred Heart School and graduated from Loras Academy. Family has always been at the center of Pat's life. He was married to his beloved wife, Ruth, for 63 wonderful years. Together they raised three daughters and one son who sadly, passed away in 2003. Today, Pat enjoys spending time with his growing family, which includes five grandchildren, seven great-grandchildren, and one more great-grandchild on the way.

Pat moved into our community on May 6 and has quickly become a familiar and friendly face. He especially appreciates the welcoming staff and enjoys participating in the many activities offered. One of his favorite parts of community life is attending Mass. Throughout his life, Pat has always been actively involved in his community. He served on the Conservation Board for 20 years and developed a deep appreciation for the county parks and natural areas. Pat also spent 39 years selling Pioneer Seed, continuing a family tradition that spanned approximately 75 years. When it comes to entertainment, Pat enjoys listening to country and western music. His favorite sweet treat is a slice of apple pie.

We are delighted to have Pat as part of our community and look forward to sharing many more memories with him.

Our annual fishing outing on June 16 was a "reel" success! The fish were biting, and everyone who cast a line landed a catch. Attendees enjoyed soaking up the sun, cheering on fellow anglers, and spending time together. It was a great day filled with laughter, friendly competition, and outdoor fun.
